

YOUR WEDDING AT THE GRIMS DYKE

Caroline Eames

INTRODUCTION

The magic of the Grim's Dyke can be seen throughout the year. In Spring you'll be treated to the stunning blossom trees that frame the croquet lawn. Should you decide on a Summer wedding, your guests will be served drinks and canapés on the terrace which is adorned by an archway of beautiful wisteria. During Autumn the house and grounds emit a rustic warm glow as the vibrant colours of summer are replaced with orange hues. Winter brings its own stunning images and with the grounds covered in a blanket of snow, your guests can be greeted with a warming mulled wine and dine in candlelight.

“The Grim's Dyke is Harrow's secret wedding venue waiting to be explored by you.”

FOOD AND DRINKS

All of our packages include a choice of menus. These are available from our Wedding Team. Our menus are created in house using fresh ingredients. Our Head Chef and Pastry Chef have both come from Michelin backgrounds and the hotel has an excellent reputation for food.

The menus are compiled with dishes that have been tried and tested in our restaurant. We are confident they will work for you. However if you have a favourite dish or would like us to adapt any of the dishes to suit your specific taste please ask and we will be more than happy to discuss your requests.

Please ask for our current menu selection. We are also happy to offer you a complimentary tasting so that you are fully happy with food you have chosen.**

*Menus online and in our brochure are sample menus. We change and adapt our menus throughout the year. Please ask for our current menus when making your choices.

Thanks to the Grims Dyke team, we had our perfect wedding. We couldn't of been more pleased from start to finish. This is an extraordinary team of people of whom we are so grateful for. A major thanks to Caroline for her endless dedication, support and attention to detail - we will always appreciate you! She helped us from start to finish and was such a wonderful person to work with. To chloe, Richard, the chef and Ilona and the rest of the team, you guys are truly amazing. Thank you.

The food was perfect, all the guests loved it. The scenery and beauty of the location was 10/10 and the service was so proffesional. I would 1000000% recommend grims dyke to anyone who's looking for a safe pair of hands when it comes to your big day (or any event for that matter!) we are so grateful, thank you to all! /**Louise & Dean**

We had exclusive use of this hotel for our wedding and it was the best choice. **The planning for the wedding was incredible and no question was too much.** The staff were amazing and so attentive. All of the rooms were great and each of our 80 odd guests said they had the best nights sleep, as the beds were very comfortable. The room set up for the wedding was beautiful and the turn around for the evening was swift and very none intrusive to the other celebrations, ie photos etc. The front of house guys were amazing, attentive but unobtrusive. Most reviews don't talk about the kitchen staff, so let me buck that trend. We sat with the Head Chef to plan a menu, and it was awesome. The chef and all his kitchen guys excelled and the food was amazing. We had sharing boards. One meat, one fish, one cheese and on veg. There was salads, fresh breads with dips and sauces. Then later in the evening a hog roast. It was beautiful. The breakfast the next morning was also superbly done and the staff on duty amazing. If you are looking for the perfect wedding venue, or just a night away, you cannot go wrong with Grim's Dyke, Harrow Weald. Thank you to everyone that made my perfect day perfect 😊

Perfect Wedding Venue

We booked the Grimsdyke Hotel for our wedding on the 21st May 2023 and Words cannot express how magical our wedding was. From the stunning grounds to the beautiful rooms, it really is an incredible venue. Caroline was our planner, not only was she friendly and approachable, the whole planning and arranging process was made very easy and stress free by her, she was always available to answer questions and each time put our minds at ease.

On the day the duty manager Chan looked after us, we nick named him Mr Yes because the word no doesn't exist in his vocabulary. Everything we asked for or wanted his reply was always Yes. He was very attentive, made sure the day ran smoothly and looked after all our guests. All in all the day exceeded our expectations and was perfect in every way.

The wedding of my dreams 🥰

We had a goth/peaky blinders themed wedding. I have to say from my heart, they did everything even the impossible and made the day a dream come true.

With loads of last minute changes, they did amazingly and smoothly everything on their way and turned it perfect.

The place itself is beautiful and it fit perfectly with the wedding theme.

The team that attended us was friendly, caring and super helpful. My wedding was full of children.

I definitely will go back for my anniversary
